WELCOME

Welcome back to an exciting year at Club Lawson. January has flown and behind the scenes the Board and staff have been busy to ensure your visit to Club Lawson is the best it can be.

Great new promotions starting February 15th and don't forget Gerard the Hypnotist Show on March 1.

Behind the scenes new cabling and a long overdue update to our internet is in process, cool room motor replaced, continued work on the leaking roof and the replacement of many down lights.

On the green, Open Pennants has commenced, and we wish our Lawson teams all the best. Mona Soergel was selected in the Nepean Highlanders Regional team and we wish her all the best as she competes against all the other regions, statewide.

With \$5 memberships and the cheapest beer in the mountains come along and support your local Community club. See you at Club Lawson.
