Hon Secretary: -Andrew Frater

Dear Future Sponsor,

Thank you for taking the time to meet with our Bowling Club representative. Our bowlers at Club Lawson are an integral part of our club as well as our community with members living in areas from Leura to Glenbrook. They need your help to continue to attract visitors and local bowlers to Lawson and surrounds.

Club Lawson has a base of over 1300 members and is actively working with all aspects of the mountains community to be the best community club in the mountains. Bowls tournaments are an important part of their calendar and attract bowlers from around our district, attracted to the wonderful mountains setting as well as our well renowned bowling green.

You can help with your sponsorship to maintain this wonderful local sporting club continue to attract visitors. Club Lawson will support your business with all the incentives on the attached flier and the Board of Directors is always happy to meet and discuss any other suggestions you have. Do you have fliers that you would like to leave at the club? If you would like to organise coasters advertising your business, we can use them daily for our patrons. If you are a sponsor of our bowlers and their tournaments, we are very happy to work with you.

The bowlers have been very active in supporting our local community by running a Rookie Roller program for our local primary schools in the later part of 2024, attracting 100 junior bowlers per week. This has been a huge success and into the future, they are looking towards a regular junior program.

Thank you for your support,

Helen King  
Chairperson  
Club Lawson

Ruth Smith  
President  
Lawson Bowling Club
